

## **“Desire” – Argentinian film containing child porn now streaming on Netflix**

The scene begins with two young elementary-aged girls sitting on a blanket on the floor surrounded by a several pillows, toys, and books. They are engrossed in a black and white John Wayne movie on TV. Both girls are dressed in spaghetti strap rompers resembling one-piece swimsuits.

It is all very innocent at first as the girls are enjoying watching a cowboy ride his horse. Watching John Wayne sparks an idea in the older girl's mind; her name is Ofelia, and she decides to imitate his horseback riding. She grabs one of the nearby pillows, straddles it, and begins bouncing up and down on it as if she is riding a horse. She is smiling and having fun (like children do), so Lucia, the younger of the two girls, gets a pillow and begins to do the same.

Lucia watches Ofelia closely, and suddenly Ofelia's facial expressions begin to change a bit, and she starts moving in a circular motion on the pillow in addition to up and down. Ofelia begins panting heavily. A close-up of Lucia's face is shown as she is looking at Ofelia. Lucia's eyes pan from Ofelia's face down toward her lower body (as if she is trying to figure out what is going on) and then back to her face. Lucia is barely bouncing on her pillow at this point because she is watching Ofelia.

A full-body shot is shown of Ofelia straddling the pillow before the camera goes in for a slow-motion close-up of her face. The camera stays focused on her intense facial expressions for about eight seconds while she is heard panting. The camera cuts to a scene of John Wayne before going back to Ofelia when she suddenly gasps, stops, and falls over on the floor as if she has passed out. Lucia watches it all (her facial expressions are hard to read) and calls for their mother (although Lucia never appears extremely alarmed).

The mother enters the room. She is dressed in a white silk robe that is open. Her white panties are shown but her breasts are covered. She has a large live snake wrapped around her. As she begins caring for her daughter who is lying on the floor, the dialogue is as follows:

**Lucia:** *Mom!*

**Mother:** *Where are you? What's wrong?  
Ofelia! What happened, Lucia?*

**Lucia:** *Ofelia started shaking, she got all red and her eyes went white.*

**Mother:** *Come here, sweetie. Look me in the eye.  
Okay, Lucia, get the car running, let's go.*

**Lucia:**                    *Where?*

**Mother:**            *To the hospital.  
Come here, sweetie. You had a seizure.  
Mom knows, Mom knows.*

**Adult Ofelia:** (Voiceover while up close image of child's face is shown as she is "riding" on a pillow.) *The day I had my first orgasm, I discovered the effect of barbiturates. Mom said I had epilepsy, and medicated me without hesitation. ...*

(While riding on an actual horse as an adult) *Her pills would make me forget everything. But nothing could erase that first flame. Since that day, I've never stopped looking for it. I always wanted to feel that sensation.*  
(Camera shoots a close up of her pelvic area while riding the horse) *Feel that flame again.*
